

① Brain storm

① make a page with all the bus information and announcements

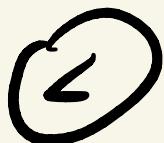

② make a system similar to the subway-system

Creating a
easy to use
Bus system

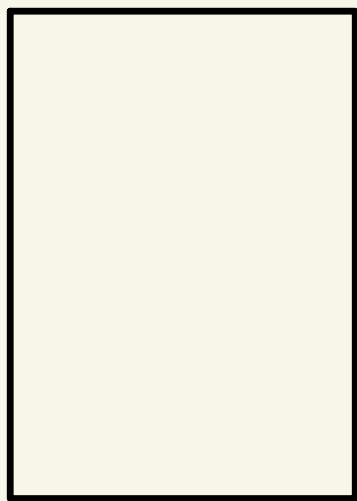

③ make a page showing only the times of departure from each campus

② Make paper prototypes

Bus Time

Humanities and Social Sciences Campus

승차 가능 정류장 : 정차소(농구장) - 학생회관 - 정문 - 혜화역 4
번 출구 - 맥도날드 앞 - 정문 - 600주년기념관

pro:

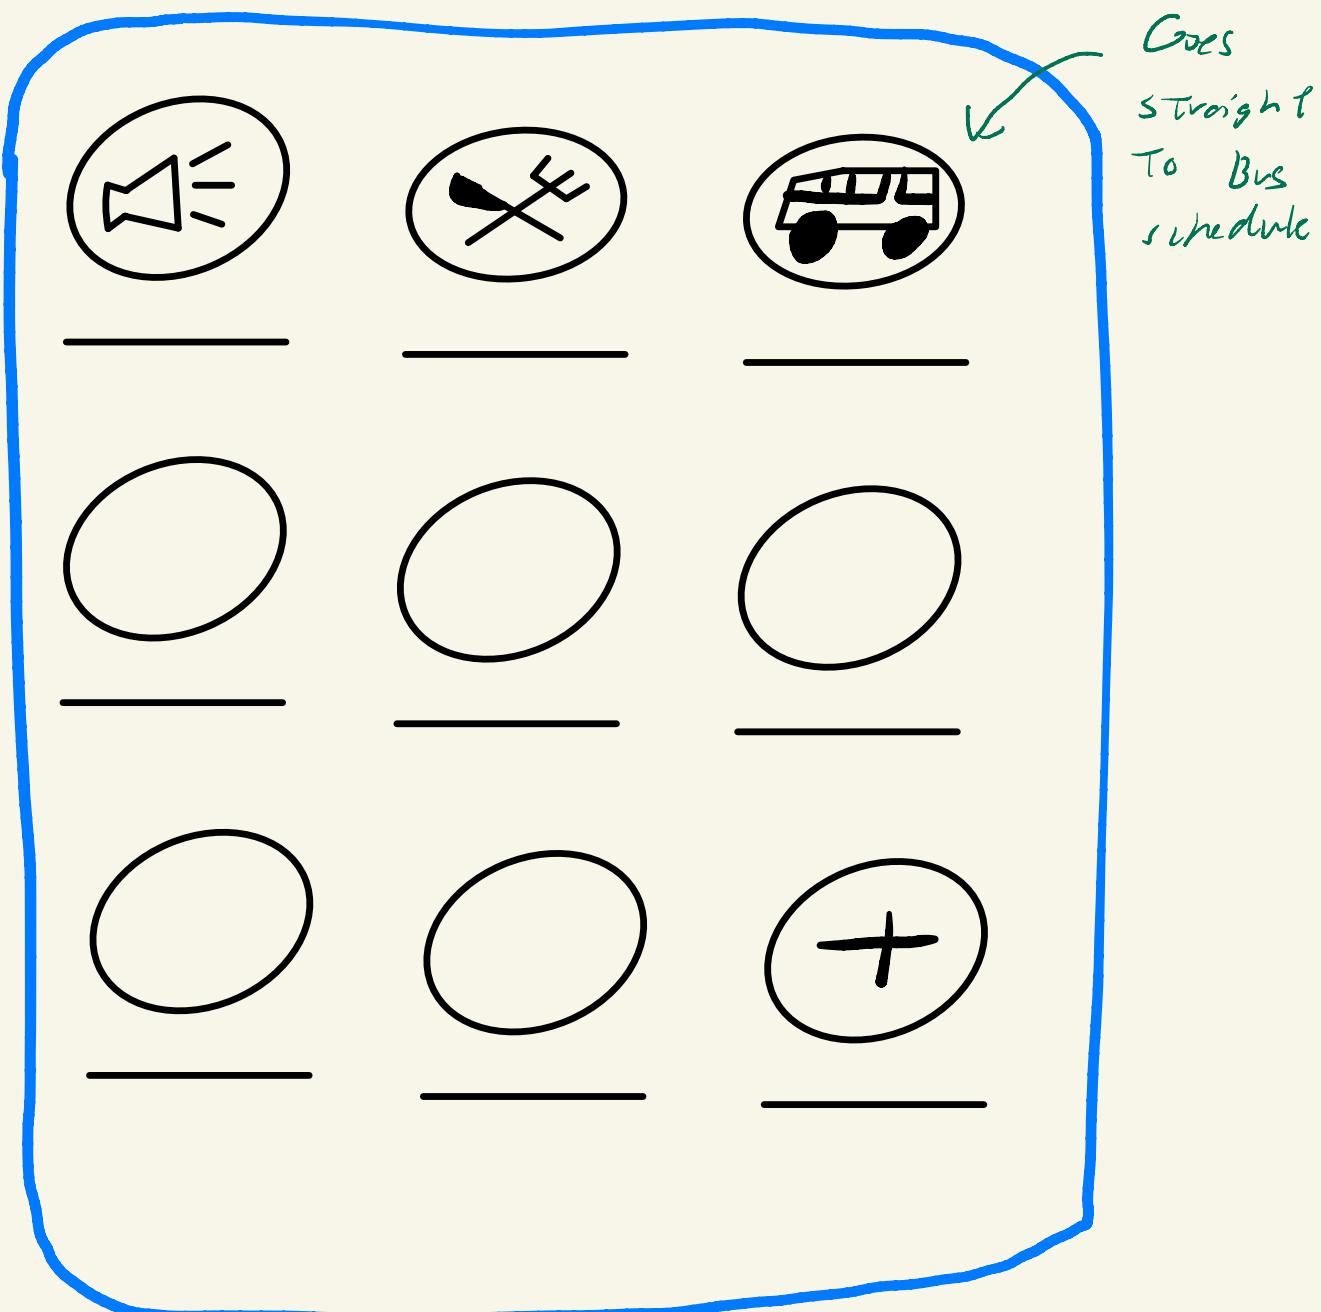

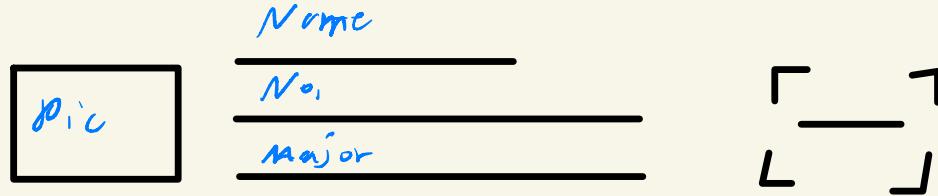

- Lots of info
- Can look at announcements if there are

cons:

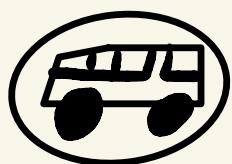

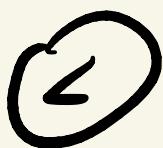

- Too much information
- Have to click twice to get to bus schedule
- Announcements for buses will be few, the announcement board is a waste of space
